

Whomever so it may concern

Dear sir/madam,

We had purchased Global universal input scanners along with the PC based SCADA on **TCP/IP communication** connected to the **21 CFR Part 11 SCADA Software** for monitoring the temperature of the freezers which were installed at production area ,stability area, QC lab-02

S. No	Location of SCADA PC	No Tags supplied	scanners used
1	Engineering office (FG stores ,cold rooms, warehouse)	75	Five scanners for monitoring the freezer temperature
2	Stability room	75	One scanner for monitoring the freezer temperature and stability chamber
3	QC Lab-02	75	One scanner for monitoring the freezer temperatures

All the instruments and SCADA is working well since January 2018 and we are pleased with the performance of instrument, SCADA and the support from Global Electronics

Authorized signatory

Engineering Department-Auropeptides
