TO WHOMSOEVER IT MAY CONCERN

This is to certify that we had purchased one Flame Proof pH Controller from M/s. Global Electronics, Hyderabad in the year 1995. We are using this instrument to control the pH in the enzymatic hydrolysis reaction. We have found the performance of the instrument very satisfactory. Even after 11 years it is working without any problem.

Your faithfully,  
For **ELDER PHARMACEUTICALS LTD.**
